Unloaded Vehicle Weight (UVW): Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart.

### Exterior Equipment
- .024 Mesa-crimp exterior aluminum with color band
- Colored fiberglass, radius-profile front wall
- Keyed Alike™ lockable baggage doors
- G20 dark tinted, safety glass windows
- 30 amp power service
- Enclosed battery storage box with locking door
- Systems monitor panel
- Water heater bypass system
- Water system winterization kit
- LED exterior lights
- Power awning with LED lights

### Interior Equipment
- Chocolate Maple wood cabinetry
- Ball-bearing drawer guides, 75 lb. capacity with full drawer extension
- 2 burner range
- Deep double bowl, stainless steel 50/50 sink with cutting board cover (1)
- Auto ignition furnace with wall thermostat
- Command center (select models)
- USB charging port
- Vinyl flooring throughout
- ABS tub/shower surround
- Glass shower door (select models)
- A/C ducts in front bedroom (select models)
- Under bed storage with gas struts (select models)
- Fold away sleeper sofas (2, select models)
- Power queen beds with rear convertible sofa and folding armrests with cup holders
- LED lighted countertop edge
- LED interior lights

### Ramp & Cargo Equipment
- Radius cornered ramp door, 2,500 lb. capacity, 96 inch wide ramp door opening
- High intensity rear ramp lights (2)
- Spring assist ramp door with non-skid flooring
- Garage vent ports
- Overhead storage cabinets

### Options
- Customer Value Package (MANDATORY)
- Customer Value Package with 15,000 BTU roof A/C
- Fiberglass sidewalls
- Heated, enclosed underbelly
- Foldaway dinette in place of doorside sofa (select model)
- Freestanding table with (2) chairs in place of doorside sofa (select models)
- Electric tongue jack
- 40 gallon fuel station
- 50 amp service with 2nd A/C prep (select models)
- 2nd 13,500 BTU A/C in bedroom (select models)
- Retractable screen wall
- Carpet in cargo area
### SEISMIC COMPETITIVE ADVANTAGES

**Patent pending optional automated rear ramp door**

- **Jayco's industry-leading 2 year limited customer warranty vs. 12 month warranties (industry standard)**
- **Undercarriage LED light package with smartphone app control**
- **Optional quick-set ramp patio system with patio steps**
- **Patent-pending, optional Tailgater Camp Kitchen**
- **Magnum Truss Roof System: the strongest rated roof in the industry**
- **Standard Astro-Foil™ insulation on bath deck in pass-through storage, slide room floors and roof, main floor, ceiling and bedroom areas**
- **First to offer full 2 inch block foam, fully insulated and vacuum bonded garage floor**
- **Only manufacturer to list our temperature ratings with full water in our tanks for extended living (Dometic Freeze Chamber-tested)**
- **Gelcoated slick fiberglass sidewalls**
- **Tread Lite® aluminum quad entry steps**
- **MORryde rubberized suspension with full 3 inch suspension travel and Goodyear nitrogen filled tires**
- **Standard MORryde rubberized king pin for extra shock resistance**
- **Whole house entertainment with speakers throughout**
- **Oversized automotive style frameless windows with 80 percent tinted safety glass**
- **Black tank flush for half bath and second full bath**
- **Industry first 39 inch pop up TV in the bedroom with oversized panoramic window (bed slides only)**
- **Real hardwood fold away bar stools (N/A in 4113)**
- **Segment exclusive walk-in shower**
- **Available dishwasher (select models)**
- **Solid-surface countertops in kitchen/main bathroom**
- **21 cu. ft. residential refrigerator (select models)**
- **MCD roller day/night shades in place of pleated night shades with strings**
- **Residential polished-glass backsplash running full length and height in kitchen**
- **Standard 15,000 BTU Whisper Quiet A/Cs (bedroom, living room); optional third 15,000 BTU A/C in garage (non-ducted)**
- **Room for up to 6 house batteries with disconnect**

The 5 Star Handling Package is a Jayco exclusive, a powerful blend of high-end components that make pulling a luxury fifth wheel a breeze.

**DEXTER AXLES WITH NEV-R-ADJUST BRAKES**  
The Benchmark of the trailer industry!

**MORRYDE PIN BOX**  
Allows pin box to travel forward and backward as well as side-to-side, creating a smoother tow.

**DEXTER HEAVY-DUTY SHACKLES WITH WET BOLT FASTENERS AND BRONZE BUSHINGS**  
Resists the wear-and-tear of towing.

**MORRYDE RUBBERIZED SUSPENSION SYSTEM**  
Better absorbs and isolates road shock.

**GOODYEAR BEAST TIRES**  
Made in the U.S.A. and featuring the patented Durawall® technology.

*Jayco tested fifth wheels in zero degrees F and 100 degrees F weather over an extended period of time in a controlled environment, and all functions of the coach were fully operational. Testing was done in a completely controlled environment; therefore, temperatures during testing may not represent actual temperatures in nature and cannot account for elements such as wind or moisture. In actual use, unit may not perform as well. Supplier of cooling components does not guarantee anything better than 20 degrees difference from ambient temperature. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco’s limited warranty does not cover damage caused by freezing. To learn more about Climate Shield and testing done by Jayco, visit www.jayco.com.
