

LUXURY THAT MOVES YOU.

IMPERIAL

It's Time You Were Driven by Innovation.

The EverGreen Imperial motor coach is a unique concept in leisure travel and overnight comfort custom built on the award winning Mercedes-Benz® Sprinter chassis.

In the Imperial, the automotive luxury of an executive limousine meets the comfort and amenities of a fine touring motorhome. With the Imperial, EverGreen establishes a touring crossover class of its own.

Built on the Mercedes-Benz® Sprinter chassis with its proven V-6, 3.0-liter, common-rail direct injection (CRD) turbo diesel, the Imperial power train provides powerful, quiet performance with the added benefit of up to 24 MPG while cruising on the highway.

No one builds Motorhomes like EverGreen.

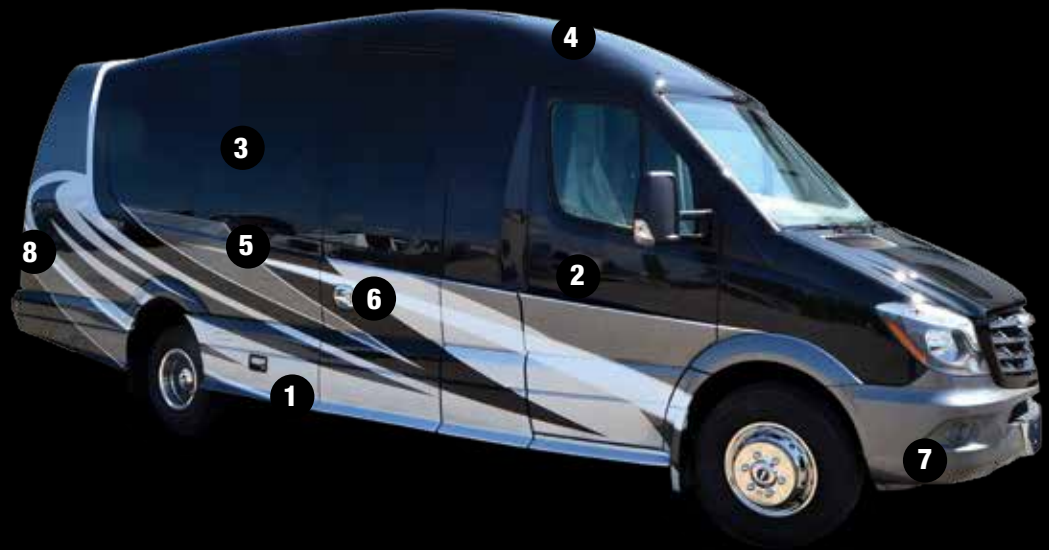

IMPERIAL

Whether you are traveling with friends to tailgate at your alma mater, or taking the kids to another soccer tournament, the Imperial provides the comfort of a luxury limousine with many of the conveniences of home.

Built as strong as it is safe, the Imperial incorporates the principles of uni-body aeronautic engineering with a monocoque frame custom welded of galvanized steel. This unique frame expands and enhances the base Sprinter chassis to provide more room inside while creating a radius, more aerodynamic exterior.

Construction Features

- 1 Custom welded, galvanized steel monocoque frame
- 2 Painted gel-coat fiberglass exterior
- 3 Dual sided panoramic automotive glass windows
- 4 Aerodynamic radius roof and sidewall styling
- 5 FrothPak Polyurethane insulation/soundproofing in walls, roof and floors
- 6 Automotive style door latches
- 7 Leading edge ground effects with integrated LED fog lights
- 8 Large rear hatch opening with gas strut assist for complete tailgate access

IMPERIAL

Two Unique Floorplans.

Standard Features and Optional Packages

Vehicle Specifications

Total Dry Weight 245WS	9,160 lbs.
Total Dry Weight 245TS	9,200 lbs.
GVWR	11,030 lbs.
GCWR	15,250 lbs.
Exterior Overall Length	24'5"
Interior Height	6'5"
Exterior Height	10' 5"
Interior Width	80"
Overall Width	91"
Tow Capacity**	up to 5,000 lbs.
LP Gas Capacity	18.9 gallons
Fresh Water Capacity	30 gallons
Gray Tank Capacity	27.5 gallons
Black Water Capacity	27.5 gallons

**typical tow capacity will range from 4,200-6,400 lbs. dependent upon build spec and intended vehicle loading with people, cargo and fluids

UTILITIES/APPLIANCES

- Six-gallon electric/LP gas hot water heater
- City water connection
- Gravity water fill
- Exterior 110V outlet
- Interior 110V outlet
- Exterior LP connection
- USB charging ports at all seating stations
- Air Conditioner 13,500 BTU
- Furnace 16,000 BTU
- Refrigerator (12Volt and 110 Volt) 3.3 cubic Feet
- Microwave/convection Oven (1.2 Cubic Feet)
- Two burner cook top
- LP gas generator 2.5kW
- Two deep-cycle, maintenance-free group 27 dry cell batteries
- Converter/Inverter—50 Amp multi-stage charger w/1,000 inverter
- Shore Power—30 Amp/110 Volt service

INTERIOR FEATURES

- Residential flooring with 20 year limited warranty
