Dutchmen—A North American Campground Classic
Few manufacturers have built RVs for 25+ years, and only one has set the standard for innovation AND value. Dutchmen IS “A North American Campground Classic.”

MORE STANDARD FEATURES MORE VALUE
Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it “bang for the buck,” “more for your money,” or simply “more value.” We’ve built a reputation for bringing RV owners more standard features for less money for more than 25 years . . . and it’s a reputation we plan to keep.

At Dutchmen, quality is our standard. Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection. Typically, a competitor performs random inspections, meaning you won’t find this commitment to quality anywhere else.
