It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart above.

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

JRIDE—AN ALANTE STANDARD

JRide is a powerful blend of precise handling and renowned stability.

Put JRide to the test—and rule out the competition.

1. Bilstein® shock absorbers feature a unique monotube gas pressure design that provides optimum ride quality and vehicle control; Bilstein shock absorbers last 2-3 times longer than the conventional twin tube piston and are found in many high-end luxury vehicles (see photo)

2. Computer-balanced driveshaft ensures reduced shudder and vibrations, and efficient power transfer to the wheels

3. Jounce bumpers absorb impact and dampen excess road noise and vibration

4. Front and rear sway bars raise and lower each side of the unit to similar heights, reducing sideways tilting when cornering

2
YEAR
WARRANTY

Our industry-leading bumper-to-bumper limited warranty lets you travel with confidence.

For a copy of our 2-year limited warranty with full terms and conditions, please contact your local Jayco dealer.

FREE

ROADSIDE
ASSISTANCE
