

## RESOURCE FOR FREIGHTLINER CUSTOM CHASSIS INFO

The following was recently published in Freightliner's quarterly newsletter, "The Leader" and will offer specific information about your Freightliner Custom Chassis.

Looking for information on the latest advancements in Freightliner Custom Chassis products, technology, sales or service? *AccessFreightliner.com* is your source for essential, up-to-the minute Freightliner chassis information.

As an extranet portal within Freightliner LLC's various brand-specific Web sites, *AccessFreightliner.com* is designed for easy password-protected access by RV dealers, RV manufacturers and customers. This is their destination for comprehensive software applications, support and training. It also lets them download important Freightliner chassis information and announcements: everything from warranty recall notices to owner's manuals to parts marketing tools.

The site is organized simply for quick, effortless navigation. Visitors will find key links including "Applications" and "News and Information."

"Applications" gives registered users access to sales, service and parts applications that include an Order Management program, Extended Coverage, PartsPro® and PartsLink®, QuickClaim®, EZWiring™,

ServiceLink®, Warranty Management Reports, ServicePro®, WarrantyLit & Recall and Field Service Campaigns.

"News & Information" is a one-stop source for all things Freightliner. It provides a Corporate NewsLine, information on the latest Policies and Procedures, software information and related links. Though non-registered visitors can access some general information, registered visitors will be able to view additional information that's geared more to their needs.

In short, *AccessFreightliner.com* is all about "knowledge" – about giving RV dealers and customers a wealth of knowledge right at their fingertips.
