Just TCB: Taking Care of Business:

A SMOKING POT: Ok now that I have your Attention! We all take pride in our campground and with great experience they provide us with smoking out posts. I was vey surprised to see so many butts on the grass during the last dance. There were big butts, small butts here's a butt and there's a butt, sorry got butters flash back. During the dance I went outside to have a butt and there they were the flicking family. Flicking here flicking there flicking everywhere. Sorry some guy (not the same on with the cig in mouth) was greeting people at the door shacking hands he was also holding on to the smokers post twisting it like a walking stick. Try passing the greeter next time. I gave him 2nd prize 1pack non filters.1st prize goes to the pretty blond. Thought maybe from Calgary. Drinking lots of fire water, and with cig in mouth she was riding the post with no hands. Being the gentleman that I am counted the legal 15 seconds there was no buzzer, butt she got my vote. 4 packs Lucky Strick. There were also a few happy camper's drinking the same fire water. I guess they were trying to put out butts with their butts on the grass, New game?
