

August Edition

What a summer we have had. Lots of wet weather but also lots of sunshine and very warm temps. We have had lots of fun activities to participate in, the pool has been full almost everyday. There is plenty more summer left and still some fun events to come. We should all thank all our committee members that work so hard to make sure each event is fun and manage to put on a great event no matter the weather. Without these gal's & Guys we would not have the events program that we do. Each and everyone of them works very hard to ensure that our summer is filled with fun. And lets not forget Dave, Theresa and all the staff of Blue Haven for making sure the summer is not only fun but safe for everyone.
