DAVE.

Friendly Reminder

Please run all refrigerators and hot water heaters on propane. This will help out our electrical system. Remember electrical appliances such as heaters and hot plates are not allowed. With the high temperatures coming this weekend it is very important to follow our guidelines on this. Please **DO NOT** try to run your A/C units and charge your golf carts at the same time. Your cooperation is appreciated.

WILDLIFE: Please do not keep household garbage at your site even if it is in a covered can it will still attract skunks and raccoons. We have had a lot of concerns with the amount of skunks around. Your cooperation is appreciated.
