Update From Christmas In July:

Sorry for the delay in this update – Firstly, on behalf of the committee, I would like to thank all of the families that participated in Santa's breakfast and the events of Christmas in July. Santa and his elves were thrilled to see all our young campers enjoying their day with their families and friends. Our breakfast elves Linda Thompson, Nancy Vaudreuil and Eveline (Linda's sister) were there bright and early to greet everyone as Carol Davies took the tickets at the door. They were also very helpful with the cleanup of the tables which was much appreciated. Santa was his very jolly self and as always took time to visit with the

children while they ate with their families and parents did some photo ops with their children and Santa himself. As always it would not be possible to do these events without the cooperation of the Blue Haven Staff and all of the many volunteers that are so willing to give their time, which is what makes Blue Haven so special. All of the Blue Haven staff worked hard to decorate for Christmas and make sure that the bar-b-ques, etc. were delivered behind the kitchen beforehand for the big cook out. Dave Bechard was there bright and early Saturday morning to ensure that everything was set up and we had everything we needed. Theresa thank you so much for taking the time out of your busy day to ensure that the campers signed up and got their tickets. Isiah thank you for your help not only for the breakfast but throughout the day. You did a great job on the hayride as well. You were amazing! Thank you Flo for decorating the tree. The children did such a great job on the decorations in your craft classes. It is always nice to see handmade ornaments. Just a little after 6:00am, our annual outside chefs Todd Smith, Wayne Pregent, Bill Dempsey, Jim Gingera, Bob Craig & Danny Murphy rolled in followed by John Sullivan, John Gagnon, Gerry Cantwell & Randy Moores who all did a great job to make sure the eggs, sausage, ham, hash browns, waffles and toast was cooked to perfection. This year all of the food was cooked outside by these guys and it was just great! Randy thank you for supplying us with your special "libations". Sure helped the cause! Our servers were Francine Cantwell – eggs, Sheila Craig - Sausage, Flo Dempsey – Ham, Chantal Bremner – Hash browns, Karen Sullivan - toast, Lisa Murphy – waffles. Ashley, Trinity and Seraphina took care of the condiment table, juice, milk & fruit. Behind the sce-

ne, Robin Dalton and I took care of the coffee area and were made sure the servers while Debbie Gagnon was on dish duty and cleanup along with Dianne Watson who helped with cleanup as well. Unfortunately Cindy had undergone some surgery on both wrists within the past few weeks and although she was not supposed to lift anything, she was there to offer her help any way she could. What a great team! Later on our head "Breakfast" elf Linda met in the office to take care of our special volunteer Santa's helper and bring them to the Club House to wait for Santa to come along with all of the other Blue Haven families that attended. Our special little elves were very helpful this year passing each

gift to Santa as the names of the children were called. Thank you for doing such a great job and thank you Cindy Smith and Melisa

Dempsey for all of your help as well. Santa came through the doors while the children and their families were singing "Here comes Santa Clause" and the fun began. As each child's name was called they were brought to Santa's knee where they sat while their parents or friend took a photo. Thank you Santa for being there once again at Blue Haven for all of our campers and their families. To all of the parents that brought their children up, thank you for your patience. It was a wonderful Christmas at Blue Haven thanks to all that participated in one way or the other. HAPPY HALLOWEEN ALL!
