LAS VEGAS – The South Point Arena and Equestrian Center will partner with national recreational vehicle brand, Van City RV, as the exclusive sponsor of the new Van City RV Horse Trailer Parking Area. The premium 25-acre lot features \$3 million in upgrades including high-end lighting, custom fencing of the area and a planned ranch style arch entrance to welcome event participants. The area also offers a convenient and secure location to park horse trailers with close proximity to the arena.

“I have been RV’ing since I was five years old,” explains Van City RV Owner, Phil Rizzio. “Our entire team has a passion for RV’ing that parallels the South Point Arena team’s love of equestrian sports. We are eager to sponsor the Van City RV Horse Trailer Parking Area and are thrilled to announce our newest partnership with the South Point Arena. To have the opportunity to align our brand with a company that is so dedicated to the equestrian industry was a no-brainer.”

With their signature brand delivery of unmatched, world-class service and industry-leading selection of the top-of-the-line luxury models of Class B, B+, and Super C RVs, Van City RV will play a major role in the newly sponsored horse trailer parking area. Located on the north side of the South Point Hotel, the premium trailer parking area runs parallel to the I-15 and creates an ideal area for handlers to access the horse trailers within the South Point Arena & Equestrian Center grounds. In addition, guests will also have the option to tour Van City RVs within the parking area. Construction on Van City RV Horse Trailer Parking Area entrance will be completed Fall 2018.

“We are very excited to have a well-respected organization such as Van City RV join our South Point Arena family,” said Steve Stallworth, South Point Arena general manager. “We are proud to partner with an organization that understands the importance of quality and offers a top-of-the-line product that cannot be duplicated, and we look forward to a future of working alongside the Van City RV team.”
