

Travel Trailer Coverage

In the event of a breakdown,* the **Classic Plus Coverage** plan will pay or reimburse you for agreed costs to repair or replace any of the component groups listed below, less any deductible. Coverage below is just a sample of covered parts; additional parts may be covered.

- 1. Suspension**
Leaf and coil springs; shackles and bushings; and rubber suspension springs.
- 2. Brakes**
Master cylinder; wheel cylinders; calipers; metal-only hydraulic tubing and metal fittings; and drums and rotors, when in conjunction with a covered repair.
- 3. Fresh/Waste Water System**
Hot water tank; burner assembly; thermostat; thermocouple; gas valve; electronic ignition assembly; P.C. board; diesel/electric heating system; shower assembly; toilet; sink holding tanks; gate valves; water pump; water purification system; faucets; traps; and fittings and water lines.
- 4. Roof or Basement Air-Conditioning**
Compressor; evaporator; condenser; capacitors; relays; thermostat; heat strips; expansion valve; control module and panel; reversing valve; ventilation fans and motors; blower fan and motor; and P.C. board.
- 5. Kitchen Center**
Range/ oven burner assembly; burner valves; refrigerator/ freezer; microwave; convection oven; thermostat; thermocouple; burner; ignitor; and P.C. board.
- 6. L.P. Gas System Assembly**
Gas regulators; gas tanks; gas valves; tank gauges; L.P. fittings; emergency shut-off system; gas leak detector; and carbon monoxide monitor.

7. Heating System

Furnace ignitor; burner assembly; gas valve; gas leak detector; thermostat; thermocouple; blower motor; and P.C. board.

8. Generator/Power Plant

All internally-lubricated parts of the power plant engine; alternator; starter; manually-operated switches; voltage regulator; power converter-inverter; P.C. boards; fuel pump; hour meter; and power plant engine block and cylinder heads, if damaged as a result of an internally-lubricated part failure.

9. Crank System (Pop-up Campers)

Cables; pulleys; and metal frame.

10. Deluxe Appliances

Icemaker; trash compactor; central vacuum-cleaner system; dishwasher; in-sink disposal; built-in coffee maker; built-in food processor; fold-out external grill; clothes washer/dryer; ceiling fan motor; smoke detector; and basement refrigerator/freezer.

11. Entertainment

(factory/dealer-installed only)

Stereo receiver; tuner; compact disc player; DVD player; satellite system; television(s); television antenna and rotator.

12. Interior and Exterior

(factory/dealer-installed only)

Hood latches and springs; door handles; latches and springs; door chimes; clock; power window curtains/shades motors; awning motor; awning mechanism and sensors; and shore power cord and retractor.

13. Slide-Out Rooms

Slide-out room motor(s) guides; tracks and hydraulic valves; sliding floor motor; pump/jack assembly; and electrical switches and wiring harness.

14. Power Steps

Power step; fittings; cylinders; worm gears; electrical switches and wiring harness; and entry door motor and mechanism.

15. Leveling Systems

Factory-installed electric/hydraulic leveling jacks; and electrical switches and wiring harness.

16. Seals and Gaskets

Seals and gaskets are covered for all listed components.

Deductible

Standard: \$100 per claim

with several options available

In an event the repairs are performed by the dealer that sold you your **Service Agreement** or any other **ROUTE 66 dealer**, the deductible will be reduced by **sixty-six dollars (\$66)**.

Optional Coverages

(Surcharges Apply)

Commercial Use (new units only)

Coverage is provided on eligible commercial units.

Consequential Loss

In the event a breakdown* occurs on a non-covered part, due to a failure of a covered part, the non-covered part is covered.

Brownout/Power Surge

In the event of damage to a covered electrical component caused by a brownout or an oversupply of voltage power:

* Mechanical breakdown is the failure of a covered part to perform the function for which it was designed, under normal services and usage, due solely to a defect in materials or workmanship as originally manufactured.

Certain conditions and components are excluded such as inadequate maintenance of the vehicle, corrosion, and parts designed for limited life such as bulbs, filters and brake pads. **Parts may be of like, kind and quality.** Please see the Service Agreement for complete details including limitations and exclusions.
